FSU | DATA DAY AT FSU

PROPOSAL SUBMISSION FORM

General Information

Session Title: _

What do you want this submission to be considered for? (Multi-select)
- Session
    - If session is selected (or if session and poster are both selected), the next question is "what type of session would you like this to be:"
        - Research Presentation
        - Workshare/Software Demo
        - Panel
        - Discussion Group
- Poster
    - If poster (only) is selected, you skip the session type question and go to the track question

Which session track?

- Policy and Decision Intelligence
- Accreditation, Assessment, and Evaluation
- Data Analytics and Visualizations
- Technology & Tools

Technology

Conference planners will ensure basic supplies to connect to your computer for presentation (for example, HDMI cables). If you have additional needs above and beyond these basic supplies to help project your presentation, please provide information below.

How many presenters will participate? _

Presenter 1

Title (Dr., Mr., Ms., etc.): _
Name: _
Position title: _
Unit: _

FSU | DATA DAY AT FSU

Phone (mobile): _

Email: _

Proposal Description

Abstract

This will appear on the Data Day at FSU website and on the conference program. No more than 100 words.

_____

Narrative

Provide information on what you are proposing to present at Data Day at FSU answering the following questions in a few paragraphs:

- *What, who, why, when, and how of your topic as appropriate to the chosen session type and session track*
- *Why you think this presentation will be relevant to others at FSU*
- *The structure of the presentation*
- *What you hope the audience will gain from their attendance in the proposed session*

The word limit on this form is 2,000 words. Narratives in the 500-800 word range would likely give sufficient detail for acceptance.
